#### GENERAL SECRETARIAT

#### Sanctions an estimate for Rs. 5,00,000 for the Water Supply Scheme to Hosadurga Town.

READ—

Correspondence ending with letter No. A6. F. 506-2633-48-49, dated 18th April 1949, from the Deputy Commissioner, Chitaldrug District, forwarding for sanction an estimate for Rs. 5,00,000 for the water supply

2. Un-official Note No. 539, dated 26th May 1949, from the Chief Engineer for Roads and Buildings returning, after scrutiny, the estimate for Rupees five lakhs for the above scheme.

ORDER No. L. 5217-21—ML. 66-49-6, DATED BANGALORE,  
THE 26TH NOVEMBER 1949.

Hosadurga Town which is situated in a dry region has had a very inadequate supply of water. During the year 1940 an estimate amounting to Rs. 96,188 was prepared by the Sanitary Engineer for pumping water from the Vedavathi River near Kellodu Village. This scheme was not taken up as the Municipal Council pleaded its inability to finance the same. Then a scheme for the supply of water by means of bore-wells was tried but it also proved a failure.

2. The Deputy Commissioner has reported that an adequate supply of water to this town which is a commercially growing centre is a great desideratum and that, if an assured supply of water is not given, many families will be forced to leave the town once for all.

3. It is being repeatedly represented to the Government by the people of this town that a satisfactory supply of water could be had only from the Vedavathi River which is at a distance of four miles from the town.

4. The Sanitary Engineer has accordingly prepared an estimate for Rs. 5,00,000 for the above work. The Chief Engineer for Roads and Buildings, who scrutinised the estimate, has stated that the same is in order and that though the scheme is too costly for a small town, yet it may be sanctioned as water is a fundamental necessity.

5. As regards the financial aspect of the scheme, a donation of one lakh of rupees is promised by *Dharmapravartha* Sri Bhoopalram Nanjundiah, a distinguished citizen of this town and he has requested that the water supply installation may also be named after his brother—late Sri Nageshiah and his wife.

6. To meet the balance of the estimate, the Hosadurga Minor Municipal Council has passed a resolution on 11th August 1948 requesting the Government, as a special case, to meet three-fourths of the remaining cost of the scheme by making a grant of three lakhs and to give to the Municipal Council a loan of one lakh of rupees to meet its share of the cost, bearing interest at 4 per cent and repayable in 25 yearly equated instalments. The Municipal Council has also agreed to earmark the realisations from the levy of toll, etc., towards the payment of the loan instalment every year.

7. After a careful consideration of the matter in all its aspects, Government are pleased to sanction the estimate for five lakhs of rupees for the water supply scheme to Hosadurga Town, the cost thereof over and above the donation of one lakh of rupees referred to above being met by the Government and the Municipal Council in the proportion of 3:1.

8. A Government grant of three lakhs of rupees is sanctioned to the above work from out of the allotment made under water supply grants for 1949-50. Sanction is also accorded to the grant of a loan of one lakh of rupees to the Hosadurga Minor Municipal Council carrying interest at 5 per cent and repayable in twenty-five years by equated annual payments, to meet its share of the cost, subject to earmarking the realisation from toll and a portion of the octroi to the extent of Rs. 7,095 per annum towards the repayment of the loan. The Deputy Commissioner, Chitaldrug District, is requested to see that the required provision is made in this behalf while sanctioning the annual budget estimates of the Municipality.

9. The donation of one lakh of rupees offered in this behalf by *Dharmapravartha* Sri Bhoopalram Nanjundiah, towards the above scheme is accepted and the water supply installation will also be named after his brother, late Sri Nageshiah and his wife. The thanks of Government will be conveyed to him for his munificent gift.

10. Government further direct that water-tax may also be levied in the Municipality under Section 61(1)(d) of the Mysore Minor Municipalities Act, 1933, to cover the annual maintenance charges.

11. The Deputy Commissioner, Chitaldrug District, is requested to take necessary further action immediately in this matter in consultation with the Chief Engineer for Roads and Buildings.
